

अब बजेगी घंटी सुनेंगे सब

SpHear - Speech & Hearing Clinic,
in association with the ICHF -
I Can Hear Foundation has set upon a
mission of improving the hearing health
of the community with the Project Ghanti.

We provide financial support for the
provision of hearing aids, hearing and
speech therapy / habilitation and to fund*
cochlear implantation to children &
adults at highly subsidized costs.

GHANTI

Hearing is one of our most precious senses.
It is through hearing that we develop language
and communication skills. We start to develop
languages from the moment we are born.

The earlier hearing loss is detected, and the
earlier it is treated the better the result.

With today's technology, children can be fitted
with hearing aids within the first few months
after birth.

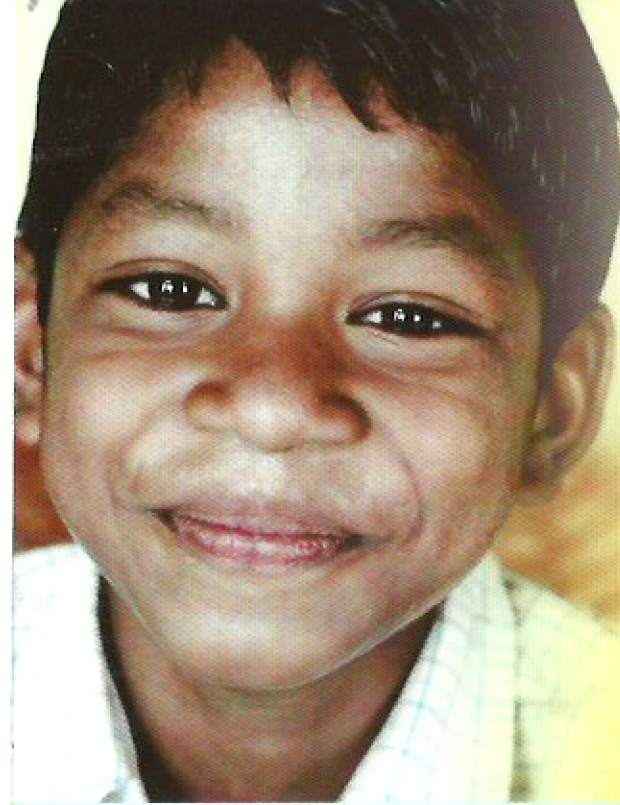

Those children with a profound hearing loss also
can learn to speak if they are diagnosed relatively
early and receive a cochlear implant

The Project Ghanti provides an
opportunity for anyone and
everyone suffering from mild
to severe hearing loss to get
the requisite treatment and
rehabilitation at costs subsidized
to an unprecedented level.

The funding* for this noble
social cause comes from
THF (The Hans Foundation).

A COCHLEAR IMPLANT
is an electronic device that can
restore useful hearing and provide
improved communication abilities
for persons who have severe
to profound sensorineural hearing loss
(nerve deafness) and who cannot
benefit from hearing aids.

A cochlear implant usually costs
anywhere between 7.5 to 12.0 Lakhs
for each ear, however through
the Project Ghanti, the same can be
procured at upto 90% funding*.

If you or anyone you know suffers from hearing impairment and may benefit
from hearing aids, cochlear implantation or hearing & speech therapy,
then please contact us at the under-mentioned contact details:

info@icanhearfoundation.com . +91 95999 25850
neevita@sphear.in . +91 98105 11246

*The families/patients coming to avail Cochlear Implant treatment will have to go in for
Complete evaluation process. The decision of the evaluation panel would be final.
